[JOIN CLUB](#)

11. Navigate to the Homepage.**12. Verify that Clubs you have joined are visible.****13. Scroll Down to these Events of the Clubs You Joined.****14. Scroll Down to find out about different posts made by different clubs (even the ones you don't follow)**

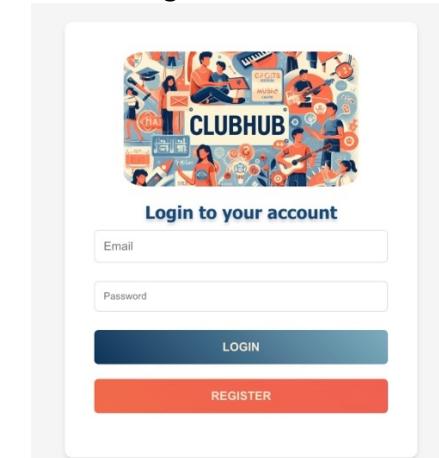

8. Find clubs based off interests

1) As a User, I should be able to enter my interests when creating an account so I could find clubs that are aligned with my interests.

1. Go to the website, click on Login.

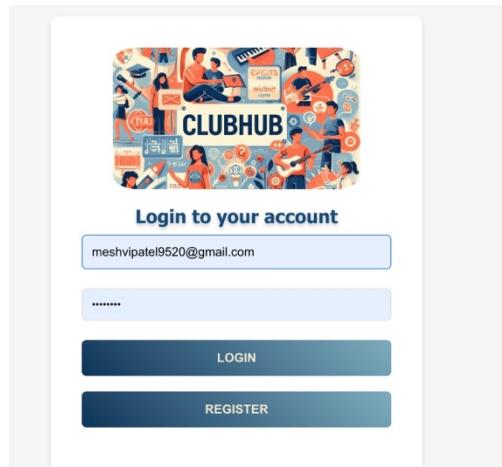

2. Click on Register.

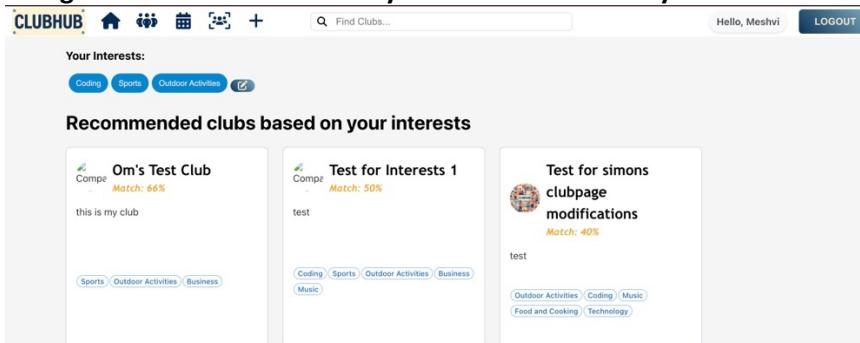

3. Fill in the required details along with the interests.

The registration form has two columns. The left column contains fields for "First Name" (Meshvi), "Last Name" (Patel), "Email" (meshvipatel9520@gmail.com), and two password fields. The right column contains a "Select at least 3 Interests" dropdown menu. The dropdown menu shows a list of interests: Coding, Sports (which is selected and highlighted in blue), Music, Technology, Outdoor Activities, Business, Food and Cooking, and Fitness and Wellness. To the right of the dropdown, a "REGISTER" button is visible.

4. Click on Register and then login.

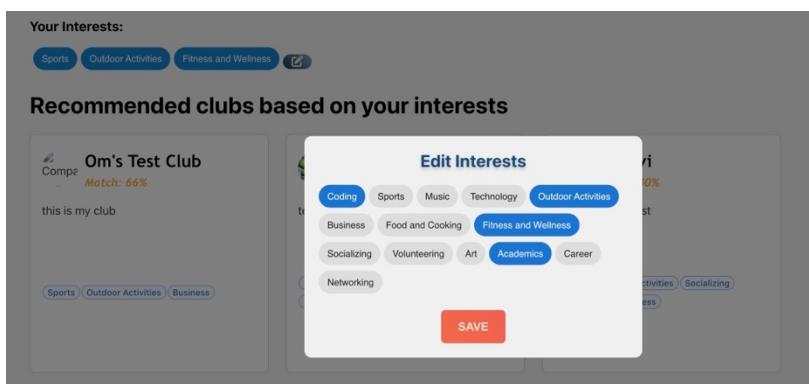

5. Navigate to the Find Clubs and you can find based off your interests.

3) As a User, I should be able to edit my interests at any time

1. Navigate to find clubs to edit your interests.

4) As an Admin, I should be able to associate interests with my club so student with those interests can find the club easier.

1. Click on '+' to create a new club.

2. Fill in the required details along with the club interests.

Let's create a new club!
